It's All About Journey

Description

We're linking you to our local Uttarakandi community. Trekking across the Himalayas is going to bring a great trekking achievement, particularly when it comes to the holy Kedarnath trek. The Kedarnath Temple lies in the magnificent snow-capped Garhwal Himalayan ranges. The furthest of the four Chota char Dham sites. Kedarnath is situated in the Himalayas above 3,583 m (11,755 ft) above sea level near the Glacier of Chorabari, the source of the Mandakini.

Kedarnath is one of the holiest pilgrimages to the devout Hindu. It is set in the spectacular scenery of the Garhwal Himalayas at the head of the Mandakini River. Kedar is another name for Lord Shiva, the guardian and the destroyer.
